Fiscal Sponsor Policy

If the applying organization is not currently recognized by the IRS as a 501(c)(3) tax-exempt public charity, it must identify a fiscal agent. The fiscal agent must be recognized as a publicly supported, charitable organization under section 501(c)(3) of the IRS Code. A copy of the fiscal agent's IRS tax determination letter and a letter of support from the CEO/Executive Director of the organization serving as the fiscal agent should accompany the proposal. The organization may serve as a fiscal agent to only one organization per grant cycle and may submit only one application (either for its own organization or for an organization it sponsors) per twelve month period.

Public School Policy

Public school districts may submit one application each grant cycle. All proposals must be submitted by the Superintendent's Office and include a letter of support from the Superintendent.

Private School Policy

Private and independent schools may submit one application per twelve month cycle. The Fund will consider requests that support scholarships for underrepresented populations or that demonstrate a benefit to the broader community. Private and independent school proposals must include a letter of support from the Principal or Headmaster.
